MAGIC COLOURS PRO

Magic Colours Pro - Professional High Concentration Food Colour for Cake Decoration.

Unique Soft Gel ensures your fondant will not be affected and remains pliable and vibrant.

- Manufactured from pure pigments which means you require relatively small quantity of colour to reach the desired shade of paste.
- Unique formula allows you to control a certain spectrum of colours according to the amount of material you use.
- The magic colours Pro range is phenomenal with Fondant / Sugarpaste, Gumpaste, Marzipan, Macaroons and of course excellent with many other Icings, Cremes and Frostings.

AIRBRUSH COLOURS

	Magic Colours Airbrush Colour Indigo Blue		Magic Colours Airbrush Colour Forest Green	Originally designed for Airbrushing, Magic Airbrush Colours™ have great smooth consistency with no particles hovering around. Fast drying and easy to clean with just hot water or Alcohol. If you do not have an Airbrush system, you could just use various types of brushes to get different results - from covering a cake with a thin colour layer to painting as creative as you desire. Magic Airbrush Colours™ are glycerin free and will work great with royal icing or any frosting, they are concentrated enough, so you just need a few drops to reach colourful results.
